Value through values

Born of humble beginnings in the year 1984,
the group today is a business giant with over 10,000 employees

The Group has more than 240,000 spindles and 3000 rotors
for producing PV dyed yarn, cotton and OE yarn
with an enviable reputation for quality,
which is underlined by its ISO 9001:2008 certification.

The group is a largest producer of PV dyed yarn in Asia
at single location. The Group is a forerunner in manufacturing
ready to stitch fabric with the annual capacity to produce
30 million meters of fabric and 40 million meters of denim.

Charting a steady growth path, Sangam Group has diversified into
infrastructure, power, steel and recently the seamless garment industry.
The Group has introduced seamless garment manufacturing facility
with 36 seamless knitting machine with capacity to produce
3.6 million pieces per annum.

Apart from the activities which Sangam has carried out
to be where it currently is, the company firmly believes that
its contribution to society plays an important role in its growth too.

Operating a 100 bed multi speciality hospital for the societies.
Running an University with world class infrastructure facilities.
Recycling and harvesting water across all the company facilities.
